Your C.A.W Committee 2024 - 2025.

Chairmans Resignation.

Due to health issues, Nick Dodge has had to step down from all committee matters, including the Chairmanship. He will continue to be an active member of the club and strive to get his Tutor qualifications.

The Committee wish to thank Nick for his Chairmanship and years of service to the club and committee and hope his health issues improve soon.

Tonight, our Vice Chairman took on the role of announcing the winners of the TOTY (without breaking any of the entries for once!)

He then read out the winners of the raffle and the winners of the 100 Club.

He followed this with all the announcements normally done by the Chairman.

And all of this - whilst, (as he put it), wearing L plates.

Behind the scenes however, Brian is juggling his roles as Acting Chairman, Vice Chairman, Charity Fundraising Liaison Officer, Club Night Raffle Organizer, and 100 Club Organiser.

Most importantly, he is navigating an incredible amount of red tape to transition our club into a charity in an effort to secure its future, whilst liaising with Wheal Jane to strike a deal for our future premises!

I doff my hat to you Brian, and I, for one, would like to thank you for all your hard work and dedication on behalf of our club.

Club Nights.

This months demonstration was
'Boxes' by Ron Ashenden.

Ron, eager to show us his method of box making, was besieged by gremlins right from the beginning of his demonstration and they didn't let up hounding him until the very end!

However, with a smile, and maintaining his charismatic style throughout, he persevered and soldiered on.

Well done, Ron, and thank you for putting yourself out there!

CLUB NOTICE BOARD AND UPCOMING EVENTS

Graham Loveland

Mary has recently received a message from Graham that she feels all members should read:

I think the time has come to resign my membership as I cannot imagine that I will be able to use club facilities again now that we live in Cumbria.

I very much enjoyed my time with CAW and now we're in a new area I am all the more conscious of what an amazing set-up was CAW. There's nothing even remotely comparable anywhere near me now.

Best wishes to all.

Graham

Upcoming Events. Club Nights.

What's New?

A Members Forum is now available in the members area - take a look! Unfortunately you will need to log in with an email address before you can comment in the forum, (this is built into the software & I cannot seem to change it). But, unlike other sites, at least you know that you wont be getting spammed by giving your details!

If anyone has any ideas, suggestions or content for either the website, or the members area, please contact me at webmaster4caw@gmail.com

NEW PREMISES UPDATE.

STRATEGY PROGRESS

Changing structure of club to a charity – **Completed and SUBMITTED**
Appointment of professional fund raiser – **Done**
Development of AWPIG subcommittee into task led groups to include:-
Progress with Wheal Jane – **Met with key persons. Proposal on the table**
Establish budgetary envelope and timeline targets –
Outline budget established / timeline will be established once Charity status is approved
Gather information about membership - **E-mail sent to membership & some responses received**

Amongst other tasks!!

OTHER PROGRESS

Fund raiser has issued initial requirements for both grant raising information and financial data.
We will begin working through this once Charity application done
Meeting with Wheal Jane site Director. In return for providing a café facility shell for wider site use within our building we will gain security of tenure for 99 years, a 2-year rent free period and a nominal ground rent at the rate we currently pay.
John Nock has agreed to provide Quantity Surveying services to cost and quantify the new build.

AWPIGS TASK LIST

Membership background task -

How many members are ex-servie men, police, NHS etc., is an important factor in fund raising. This increases the number of support charities we can approach. **In progress**

Planning building task – The development of an appropriate building design is essential to ensure appropriately sized new premises are provided.

This may also involve preparing planning submissions. **In progress**

Cost planning task – The development of an encompassing budget plan is essential. We need to include cost of “free” labour for internal fitting out of the building, along with interior material costs. **John Nock agreed**

In-house fund-raising task – Creating a diary of fundraising events for internal and external fund raising **When Charity approved**

Support to professional fund raiser task - Responding too and supporting the efforts of the professional fund raiser be providing necessary data or documentation as submission may require **.Will do after Charity approved**

Accounting record task – Keeping appropriate financial records as to funds and grants raised. **Chris task**

Club change of constitution task - Completing all necessary task to register the club as a charity **Done**

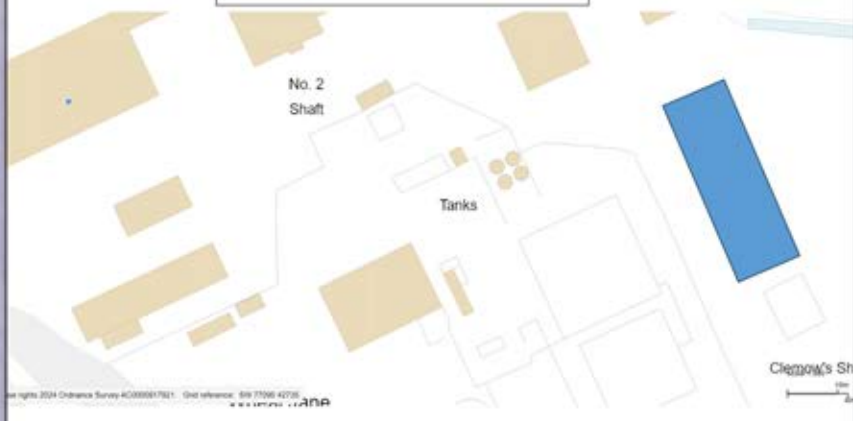

Membership progress updating task - Ensuring members are aware of progress and needs for further support **In progress each club night and via newsletter**

Wheal Jane liaison task - Regular meetings with Wheal Jane key staff and project manager as project progresses
